Dear Folks

How is everything back there in the old home town? Just chance I have had to write in on a mail I have been reading in the papers where they are all getting set for the Baseball season to open. Bless I won't be there for the opener this year. Sure am going to miss it. Please try + send me the Call + Boston Post so that I can keep up with the Braves + Sox. Glad to hear that John Sacchetti has show up safe + sound. Hope Eddie Spencer shows up soon.

Had a dream last night that this War was over + all us boys had return home from all parts of the world. I had got out of the train + was meeting all the fellows + was heading toward Summer St when I woke up. What a way to end a dream day. Hope it won't be long before the dear comes thru. So long for the night
Love "D.C.K."
